Course information:

NYACP/BU School of Medicine CME Pain Management Course

ANNOUNCING “MANAGING PAIN AND OPIOID USE: AN EDUCATIONAL PROGRAM ON COMPLIANCE WITH NYS PRESCRIBING LAWS.”

Introduction:

The use of prescription and non-prescription opioids has dramatically increased in New York State. Healthcare providers who prescribe opioid analgesics must understand and demonstrate ongoing knowledge of pain management, palliative care, and addiction.

NYACP, in collaboration with Boston University School of Medicine, is providing this course in response to NYS Public Health Law Section 3309-A, enacted in 2016, which requires professionals licensed under Title 8 of the NYS Education Law with a valid DEA number and every medical resident prescribing under a hospital or facility DEA number to complete a 3-hour training course covering the following specific elements:

1. State and Federal laws on the prescribing of controlled substances
2. Pain Management
3. Appropriate Prescribing
4. Managing Acute Pain
5. Palliative Medicine
6. Prevention/Screening/Signs of Addiction
7. Responses to Abuse and Addiction
8. End of Life Care

The course is designed in three modules. The first two modules are the highly acclaimed Boston University School of Medicine Safe and Competent Opioid Prescribing Education (SCOPE) Course. The 3rd module contains the elements required by the New York State law not covered in the SCOPE course.

What You Need to Know:

- **Target Audience:** Physicians, nurse practitioners, residents, registered nurses, nurses, physician assistants, dentists, and pharmacists
- **CME/MOC:** The NYACP/BU educational activity will offer participants 3 Hours of *AMA PRA Category 1 CreditsTM* in addition to 3 MOC points through the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program.
- Course must be completed by **7/1/17 and every 3 years thereafter**
- If you are licensed on or after 7/1/17, you must complete training within 1 year of receipt of your license and every three years thereafter
- Training must be completed **every 3 years thereafter**

- **For Residents prescribing under a hospital or facility DEA number:**
 - Current residents must complete mandatory training by 7/1/17 and every 3 years thereafter
 - Residents beginning work on or after 7/1/17 must complete the course within 1 year of the start of their residency and every three years thereafter
 - Hospitals must attest that ALL residents prescribing under their institutional DEA number have completed the required training
- **The course is FREE**
- **Important Navigation Tip:** If you choose to exit the course with the intent to return and complete at a later time, you must NOTE your position in the course prior to exiting (by slide number or recorded time). Upon resuming the course, it will automatically DEFAULT to the beginning of course. You can then use the navigation bar below the power point to find exactly where you left off within the module.

Instructions:

- **Under the SCOPE of Pain Online Training page, you MUST**
 - Create an account
 - Complete requested information
 - Click “Register”
- After being directed to the next screen, locate and click on the red “Online Training” box.
- On the right side of the page in the gray box titled “Online Training”, you will be able to access 3 Modules
- Follow the numbered steps from top to bottom as follows:
 - **Online Training**
 1. Overview
 2. CME Information
 - **Module 1 - BU SCOPE Course**
 3. Activity
 4. Post Test
 - **Module 2 - BU SCOPE Course**
 5. Activity
 6. Post Test
 - **Claim Credit**
 7. Evaluate/Certificate (*for first two hours*)
 - **Module 3 – Managing Pain and Opioid Use: An Educational Program on Compliance with NYS Prescribing Laws (For New York Prescribers)**
 - A. CME Information
 - B. Activity
 - C. Post Test
 - D. Evaluation/Certificate (*for 3rd hour*)

Course Completion: You will receive 2 separate certificates at completion of the 3 hours. One certificate for the 2-hours of SCOPE and one certificate for the additional New York specific content. These should be retained for your files.

Courses Acceptable to the Department of Health: The Department of Health has indicated that **any course accredited for continuing education by any organization serving professionals licensed under title eight of the education law** to treat humans and registered under the federal controlled substances act and in possession of a DEA registration number, and every medical resident who is prescribing under a facility DEA registration number **shall satisfy the requirement as long as the course content meets all 8 topical requirements under the statute**, and is at least three hours in length (see the course content section).

For physicians, nurses and other allied health professionals, this means that the NYACP/BU CME/MOC accreditation meets this requirement.

Attestation: Every professional required to take the mandated course will be required to attest to the Department of Health that they have satisfied three hours of coursework or training covering the 8 course content elements on or before July 1, 2017. Please maintain your certificate of course completion in your files. The process and forms for attestation will be announced by the Department of Health shortly, and the Chapter will share the process for reporting to DOH as soon as it is available.

Accreditation:

Physicians: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Boston University School of Medicine and New York Chapter, American College of Physicians. Boston University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Boston University School of Medicine designates this enduring material CME activity for a maximum of 3 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses: This educational activity has been provided by Continuing Nursing Education Provider Unit, Boston University School of Medicine and jointly provided by New York Chapter, American College of Physicians.

Continuing Nursing Education Provider Unit, Boston University School of Medicine is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

CNE Contact Hours: 3

In order to receive credit, participants must view the content and complete the post-test and evaluation. Participants who receive a grade of 70% or greater on the post-test will receive credit.

ABIM MOC Part 2: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 3 MOC point and patient safety MOC credit in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit
